Insurance:

As a courtesy to our patients, we will gladly file the forms necessary so that you receive the full benefits of your medical insurance coverage. We ask that you read your insurance policy to be fully aware of any limitations of the benefits provided. Know that your copay is due at time of service. If you are concerned about coverage for any of our services, please contact your insurance company prior to your visit. If your insurance company denies coverage, or we otherwise do not receive payment 60 days from filing your claim, the amount will then become due and payable by you. Remember that your coverage is a contract between you and your insurance company and/or your employer and your insurance company. Although we will make a good faith effort to assist you in obtaining your benefits, we cannot force your insurance company to pay for the services we have provided to you. It is in your best interest to understand your insurance plan and ultimately you are responsible for knowing and understanding your coverage. Any balance left after insurance benefits have been paid are the responsibility of the patient.

Consent for Medical Treatment, Minor Procedures and Communication

I understand that:

- During the course of my visit, my doctor may recommend that a procedure be performed. Such procedures include but are not limited to: liquid nitrogen destruction (freezing), biopsies, incision and drainage, scissor snip excision, curettage (scraping), electrodesiccation (use of cautery/heat), and steroid injection.
- The risks, benefits, and alternatives to these procedures will be explained at the time of my visit, prior to my doctor performing the procedure(s).
- I will be allowed to ask any questions that I have.
- Any and all procedures are optional. I may choose to decline a procedure for any reason.
- Photographs may be taken of me and kept in my medical file and will not be used in any other manner without my express written consent.
- There is no guarantee of results as medicine is not an exact science.
- Some procedures may need to be performed more than once to achieve optimum results.
- Procedures may incur additional charges, and I am responsible for payment.
- Both medical and cosmetic dermatologic services are provided in our office. It is important to understand that these services are billed separately and differently, even if you are seen for both medical and cosmetic reasons at the same appointment.
- If a procedure is deemed cosmetic, and therefore not covered by my insurance, my doctor will notify me of this fact and the associated charge prior to performing the procedure. I will be responsible for payment at the time of service.
- If I am scheduled for a cosmetic visit but mention a medical concern during my appointment, we will address your concern, as long as the schedule permits us to do so.
- The cost of a medical visit that is added to your bill during a scheduled cosmetic visit will NOT be included in the cost of your cosmetic visit and will be billed separately. As a courtesy, we will file applicable MEDICAL claims to your insurance company. Amounts not covered by your insurance are your responsibility.
- For more invasive procedures and certain cosmetic procedures, a separate consent may be required.
- All PROCEDURES have a NO SHOW/LATE CANCEL fee of \$100. This will be charged to your account if you fail to show for a scheduled PROCEDURE APPOINTMENT or do not give at least 24 hours notice of cancellation or reschedule for your PROCEDURE appointment. Please understand that insurance companies consider this charge to be entirely the patient's responsibility.
- BVD communicates with its patients via phone, email, text messaging and through the Patient Portal. I understand that I may opt out of receiving emails or SMS text messages at any time.

Assignment and Release:

I authorize payments to be made directly to Blue Valley Dermatology (BVD) by my insurance company. I authorize the release of any medical care information requested by my insurance company. I accept financial responsibility for all services not covered by my insurance. I have read "Consent for Medical Treatment, Minor Procedures and Communication" and the Blue Valley Dermatology "Assignment and Release" statement. I consent to routine minor procedures and medical treatment and communication with BVD staff.
